

THE JOB BLOWER

?? A ROMANTIC COMEDY THAT WILL BLOW YOUR SOCKS OFF! ?? Camilla Jackson is an ordinary young woman with an extraordinary knack for attracting disaster. When she is fired from her job as a secretary at a law firm, she realizes she has no idea what she wants to do next. Every job she does land ends up tragi-comically. But when she meets the drop-dead-gorgeous journalist, Carter Evans, her life seems to brighten. Until she discovers that he hides some very deep and painful scars. It remains to be seen if she will be able to help him heal and, in the process, find her own path in life. That is, if she manages to overcome her accident prone nature, which gets her into serious trouble...?? THE JOB BLOWER is a lighthearted, laugh-out-loud Romantic Comedy, the kind of book that you will keep in your bookshelf and reread to brighten your days and spice up your nights.??
