

Classic Murder: Mr. Romance

Adam enjoys a lifestyle most men only dream of. Then one day he wakes up to find the morning headlines blaring, Another victim falls prey to Mr. Romance. Who is next? He suddenly realizes his way of life is not only frivolous, but deadly. Dubbed Mr. Romance by New York society for his romantic adventures, Adam Fernando Russo loves women. But lately he realizes how lonely it is coming home to an empty house. Can he settle for only one woman? After he makes a list of qualities worthy enough to merit giving up his desirable existence, suddenly recipients of his coveted attention mysteriously fall prey to a murderer. The murders seem unrelated with one exception--all the victims have recently returned from a fabulous weekend rendezvous with Mr. Romance. Adams assistant, Katie Sinclair, knows Adam is innocent with airtight alibis. The police are at a loss so Adam and Katie work together to discover the link between the murders. As luck would have it, their plan to prove the murderer is copying classic Cary Grant movies goes astray just as Adam realizes his perfect woman has been by his side all along.
