

From the First Touch #4 (Jayme Sullivan Series): Novelette

Book 4 in the Jayme Sullivan series. I went to Paris the most excited girl in the world. I left bruised and broken hearted. Literally. How could Luke be so careless with another girl when he was always so cautious with me? Maybe hes the same as every other guy I have known. Or maybe he just saw something he wanted when we met and went for it. One thing is for certain. Hes deep inside me now. And I dont know how to shake him off. ***This novelette contains explicit and sexual content.***
