

Unlocking Her Dreams (The Unlocking Series) (Volume 4)

The struggle of single parenthood brings its own rewards for Reggie Lewis. She has a great daughter and the world finally recognizes her jewelry designers will once they appear on the Milan runways this Fall. When disaster strikes, it leaves Reggie with not much more than the prospects of alienating her daughter, the certain dangers of the silver bracelet locked on her wrist, and the unwanted romantic attention of Cesare, the black sheep brother of her business associate. Not the way her life was supposed to turn out. Not any way to survive wearing the deadly, beautiful bracelet. At least not without Cesare's help.

Return to the idyllic lakeshore town of Peachland and the women who run the This and That jewelry store, where love runs almost as deep as the danger and as passionate as the magic in the air.
