

## Once Upon a Secret (Five Star Romance)

Contemporary Romance- According to the tabloids, Brad Daniels is Rock Music's Sexiest Bad Boy! Talented, Successful, rich, good looking and charming, he seems to have everything going for him. Doctor Tori Glenn, Chiropractor and caretaker for her teenage brother, Kevin, doesn't know much about rock music, but even she has heard of Brad Daniels. While meeting him backstage during an interview Kevin is conducting for his school paper, all hell breaks loose. When Brad suffers an injury that keeps him in town, he uses it as an excuse to get closer to Tori. She wants nothing to do with the infamous big city playboy, but her brother is thrilled. Only after Kevin makes a rash move that will affect his entire future, does Brad realize what an influence he's had on the boy. And only then does Brad take drastic measures to free himself of the restrictions that the secret has put on his life- and that of the woman he loves.
