

The Redemption of Rico D'Angelo (Harlequin Romance)

The man behind the Italian good looks Gorgeous Rico D'Angelo is single-handedly saving the world, one disadvantaged teen at a time. The opening of his charity cafe should be enough for him to finally put the regrets of his childhood behind him but even as the ribbon is cut on opening day its not enough. Until new hire Neen Cuthbert walks through the door and offers an unexpected blast of sunshine! Shes had her fill of misguided do-gooders, but something tells her Rico is different. Neen wont let him push her away especially now shes discovering that Rico might just need her most of all.
