

The Identity Project: The DNA of Strength and Courage (Volume 1)

Are you starving for validation, acceptance and love? Do you struggle with your sense of worth? Are you crushed when you experience disappointments? Are you looking to other people for your identity? Are you emotionally dependent on how other people respond to you? Do you wonder why you are here? The Identity Project self-coaching courses are designed to assist you in discovering your identity in Christ and how to hold on to yourself in the time of crisis and self-doubt. Self-doubt occurs when we lose sight of who we are and our purpose for being here. The DNA of Strength and Courage helps identify and develop a strong sense of self, as well as the ability to calm your mind and still your heart in the face of crises and discouragement. In this course, we will focus on the 4 elements of Strength and Courage that gives us the inner strength and identity to live our lives in a balanced, positive and productive way. As you will see this course will assist you in fulfilling the mandate given to Joshua and to us to be Strong and of good courage.
