

# Sociology: A Down-to-Earth Approach, Books a la Carte Plus MySocLab Pegasus (9th Edition)

For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the Books a la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version allowing students to take only what they need to class. As an added bonus, each Books a la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books a la Carte Plus titles cost less than a used textbook! This best-selling comprehensive text shares the excitement of sociology with the acclaimed down-to-earth approach that highlights the sociology of everyday life. The 8th Edition of this highly regarded text retains all the features that have made previous editions so successful. The author has a unique ability to engage students without sacrificing content or talking down to them. With wit, personal reflection, and illuminating examples, Henslin shares his passion for sociology with his readers like no other author of an introductory text can.
