

The Republic, or a History of the United States of America in the Administrations, Vol. 2: From the Monarchic Colonial Days to the Present Times (Classic Reprint)

Excerpt from The Republic, or a History of the United States of America in the Administrations, Vol. 2: From the Monarchic Colonial Days to the Present Times

The name of Adams is found among the most illustrious on the pages of American history. After half a century or more of partisan turmoil, when most of the great barriers to fair and comprehensive judgment have crumbled in the face of the grand spectacle of national progress, at least one member of the Adams family stands so identified with the birth and establishment of this Government as to merit for him the undivided esteem of his countrymen in all ages. The learning and virtue of John Adams, one of the founders of the Republic, shedding luster on his own times, have become a part of the perpetual heritage of a great and exemplary people. Although Mr. Adams left a monument to himself and his age in his voluminous published and unpublished writings, as well as in his public and official services, yet his name has never been suggested as a fruitful theme for biographers; and hence the task of placing his life and character in a suitable form before the world fell to a worthy descendant, who executed the delicate work with great candor, justness, and wisdom. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical

works.
