

Hometown Girl: The Butterfly Box Book 2

Jocelyn Rogers life is in a rut. Maybe she should step outside her comfort zone and move to Milford Falls, where she has inherited her grandmothers house. With the encouragement of the other Butterfly Girls, Jocelyn musters her courage and starts a new life. However, when she arrives in the small town that holds both good and bad memories for her, she discovers the house in worse shape than she expected, and getting repairs done is anything but easy-especially when it comes to dealing with Jack Emerson, a man who seems to be agitated by Jocelyn and everyone else within a fifty-mile radius. To make matters worse, she has begun to worry that moving back to the place where she once spent a troubled summer will expose the deep personal secret she has kept hidden for fourteen years. But Jack also has a hidden secret that has prevented him from getting close to anyone in a long time. And now it seems that interfering neighbors may prevent both Jack and Jocelyn from moving forward with their lives. Join the Butterfly Girls in this charmingly romantic story that shows sometimes it takes a leap of faith to land on your feet.
