

Hostage: A Gay Romance

YOU CAN FIND LOVE IN THE MOST UNEXPECTED PLACES... When I set off travelling for a year to Haiti, I was only looking for a good time. I was young, single, and ready for anything. But what happened to me in that place was something I could never have planned. Because one night I was kidnapped, blindfolded, stripped of my dignity, and tied up in a dirty cell; held to ransom by a group of mysterious rebels. But little did I know that one of them turned out to be my salvation. As the days passed, I began to grow closer and closer to this mysterious man and he grew closer to me too, in ways that I could never have imagined ... Ways that had me questioning my whole sexuality ... **WARNING:** This book is dirty, sweaty and sexy as hell. If you're looking for a hot, fast read about a young all-American backpacker and his mysterious dark-skinned saviour, then you've come to the right place!
