

How Can Europe Survive (Classic Reprint)

Excerpt from How Can Europe Survive
The several institutions for the promotion of unity set up by Western European governments are analyzed in Part Three. They are examined in the light of the compatibility of their functions with the true principles of unification. Where the objectives and means applied by the several institutions are found to be incompatible with the principles of unification, failure is believed to be inevitable. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
