

Sexy At Sixty: A Sizzling Senior Romance

Romance, friendship, intuitive awareness, a fluffy white cat named Oliver Munster, and a Discount Tire Store are all integral parts of Sexy at Sixty. Who says great sex stops at sixty? Not Greg, a vibrant and handsome, sixty-year-old CEO establishing a branch office in San Diego. Not Venus, a vivacious and beautiful sixty-five-year-old university professor. After a chance meeting, they develop a strong, sensual relationship, but they are challenged by crisis after crisis. The problem seems to be that someone is trying to kill them. How can their relationship survive? How can they?
