

HOW YOU GON ACT?

How You Gon Act? is a poignant and thought provoking masterpiece that keeps readers absorbed with the turning of every single page. Chinyere Ulasi gives readers insight into the unspoken realities of our generation and also forces a dying generation to take a long look at themselves. This book was meant to put a stop to unnecessary foolishness - speaking about everything from Domestic Violence, to Spiritual Growth, to Forgiveness. And it does not disappoint! Read with caution and brace yourself for a strong dose of reality!
