

## Human Anatomy with Connect Plus Access Card

Read it, See it, Master it! Read it- Ken Saladin explains human anatomy in an engaging, yet efficient way. He puts a premium on the words, and uses student-relevant analogies to motivate the reader. See it- Saladins collection of illustrations and photos are carefully chosen to support the text discussion. Vibrant and realistic presentations engage students. Master it- With Connect and A&P Revealed, students can practice and improve their understanding of concepts. From the most pedagogically sound organization to the exceptional art, to the integration of text with technology, Saladin has formed a teaching system that will both motivate and enable students to understand and appreciate the wonders of human anatomy. This distinctive text was developed to stand apart from all other anatomy texts with an approach borne out of more than 30 years of teaching, unparalleled art, and a writing style that has been acclaimed by reviewers. Designed for a one-semester college anatomy course, Saladin requires no prior knowledge of chemistry or cell biology.
