

# Human Resource Management: WITH WSJ Access Tracker

Over the past decade, management practice has gone through dramatic changes. Workforce diversity, downsizing, reengineering, total quality management, outsourcing, and rediscovering the importance of satisfying the customer, all has a significant impact on Human Resources. The new Sixth Edition of DeCenzo/Robbins Human Resource Management features a current, real-world perspective that gives readers a crystal-clear picture of what today's HRM is really like. Emphasizing the application of theory, the Sixth Edition carefully integrates real examples with the most up-to-date information available.
