

What Wondrous Love

Question: Is Gods love unconditional?
Answer: The majority of Christians would say yes. Question: In order to save us, did Jesus have to live a life of obedience to Gods law? Answer: The majority of Christians would say yes. Therein lies the problem. If Gods love is unconditional, then there is no reason for Christs sacrifice, because under the umbrella of unconditional love it doesnt matter what we do, or whether we sin or not, for Gods love is without conditions. What Wondrous Love delves into the controversial topic of unconditional love, examining the history of the concept, its infiltration into the theology of the church, and its dangerous effects. Although some may feel that author David Thiele downplays Gods love, in reality he points readers to a truer understanding of Gods love and His nature as revealed in Scripture and expounded upon in the Spirit of Prophecy, reminding all that Jesus came to this world to fulfill every condition of the righteous law of love. In so doing, we are granted the opportunity to overcome sin as Christ did and be reunited with our heavenly Father when Christ returns. What Wondrous Love, indeed! This is must reading for anyone seeking a clear foundation for a biblically based and Ellen White confirmed teaching on salvation that upholds a responsible grace version of righteousness by faith.
