

Spiritual Cappuccino: From His Cup To Yours (SPIRITUAL CAPPUCCINO: FROM HIS CUP TO YOURS)

Spiritual Cappuccino is a spiritual tool for women to answer questions, visualize realities and grow and prosper in love thru knowledge and truth. It enables women to be honest with themselves in the presence of God and allow the word to make them free. There are so many decisions women make that even they agree could be better. Hindsight being what it is, this book gives hope to those who have been thru and have a desire to change their life by positive choices as well as foresight to women who have just begun to travel the road of life, love and relationships. An incredibly awesome and insightful read.
