

40/20: A Stepbrother Romance: (Alpha Male, Stepbrother Series, Forbidden Love)

BOOK 2 OF 4 IN A SERIES: (Watch sexy book trailer: youtu.be/pU8dFDFcYjY) 40/20 Rule in rugby: The ball must bounce within the field of play at least once before finding the touchline. I was the touchline. My stepbrother, Jake, a rugby player, plays by all the rules, except when it comes to me. He saved my life, literally. I had planned to slip under the oceans waves. But Jake was there to rescue me from me. At first I thought I hated Jake. He was the typical alpha male that gets whatever he wants when he wants it. The pride of our newly blended family; hes on the Deans list, a star rugby player and the apple of both our parents eyes. Ive only known him for three months, but I had already formed a jealous, negative opinion.

However, my attitude would flip flop drastically about Jake the day he drove me up to his college campus to stay a few days, party, and watch rugby practice. The ride there was so hot and sexy, I couldnt possibly believe that experience could be topped. Or could it? CAUTION: This book may be too sexy for you. Adult Situations. 18+ only. Although this is a series, this book stands on its own with no cliffhangers.
