

IN THE SUNLIGHT OF THE SPIRIT: A SPIRITUALITY TRAINING MANUAL AND WORKBOOK

When I was seven years old, I accompanied my mother to many twelve-step recovery meetings and witnessed the miracle as it changed her life and mine. A few decades later the twelve-steps saved my life, my brothers life, his wifes life, my uncles life, and countless friends lives. After witnessing the power of the twelve-step process my family, friends, and I opened a twelve-step recovery program and retreat in The Poconos of Pennsylvania for adult men and women who suffer from addiction. Over the past two decades the thousands of miracles that I have witnessed, and lives saved are due to the twelve-step process. We found that this process was a spiritual program of action, based on spiritual principles. New Beginning Ministry in Beach Lake, PA. has been our labor of love, born out of addiction. You can find out more about New Beginning at www.newbeginningmin.org I felt it was my obligation to share what I have learned over the past 47 years about addiction recovery, spirituality, and the twelve-step process. I originally got clean and sober at a twelve-step retreat that was started by one of the Founders of Alcoholics Anonymous, Bill W., it was at this retreat that I started to realize that I had a calling on my life to help other sick and suffering alcoholics and substance abusers. After two decades of teaching on addiction recovery, spirituality, and the twelve-step process, and developing my skills as a professional writer, it only made sense to combine the two and share this life-saving information with a larger audience. My mom passed on five years ago with over forty years of sobriety, and today I celebrate nineteen years! My dream is to share my knowledge with as many individuals as I can during my lifetime, building an army of spiritual twelve-step professionals who can help save lives. It doesnt matter if you are reading this book for yourself, a family

member, or a dear friend; the information contained within the pages here can be life changing. I know that spirituality changed and saved my life! It works if you work it, so work it, you're worth it! Anonymous They say in the rooms of recovery, if you want what we have, and are willing to go to any length to get it, you will recover. All you have to do is want it, and do the footwork. This amazing workbook/manual will aid you on your journey as you walk in the sunlight of the spirit.
