

## The Island in the Loch

Jaded businessman Nicholas Hepburn returns to his ancestral home in the Highlands of Scotland for his annual visit to see family and friends. Whilst there he meets a young woman crofter and is immediately attracted to her, but she is married. When her husband dies suddenly she turns to Nicholas for support and their relationship becomes serious. Just when Nicholas seems to have found happiness his ex girlfriend comes back into his life bringing with her a baby daughter she claims is his child.
