

Spanked For A Deadly Sin: Greed: Christian Domestic Discipline and Spanking Story

Spanked For A Deadly Sin: Greed A Christian Domestic Discipline and Spanking Story Alice has committed a deadly sin - the sin of Greed. Dazzled by advertising, she has bought a scratch card - and won a few hundred bucks! But her deeply religious alpha male husband doesn't approve of gambling, and what's more, he and Alice are committed to a strict system of Christian Domestic Discipline. Now, Alice must submit to whatever punishment her husband decides she deserves. So, she finds herself face down on the sofa, bare-bottomed and ready to receive a spanking. Will she learn her lesson? Or will sin prevail? And since her husband believes that the punishment should fit the crime - exactly what does he intend to spank her with?
