ROMANCE: BWWM BILLIONAIRE ROMANCE: His Secret Surrogate Baby (African American Alpha Male Bad Boy Body Guard romance) (Contemporary Interracial Pregnancy Romance)

Ella Sam Carrington is an over-confident creep that thinks money can buy him anything. I have good reason to hate him. A man like Sam should have no part in my life, especially with a sick father to look after. No, I couldnt possibly do as he asks. Not even if he is so funny. Not even if we do have so much in common. Not even if his touch does make me quiver. Sam Being the son of an ageing billionaire isnt all its cracked up to be. But money equals power. Power to open doors, to buy my way out of trouble, to pay people to give me whatever I desire. Ellas just a business acquaintance thats here today and gone tomorrow. With her background, I should steer clear, but theres just something about her that gives me a feeling I dont want to go away. **AUTHORS NOTE:** This is a (put word count here, example: 8000 word) stand-alone story with an HEA, so no cliff-hangers! Story contains mature themes and language, and is intended for 18+ readers only. **DONT MISS OUT 9 BONUS STORIES ATTACHED**
