

Jingle Bell Harbor (A Bell Harbor Novella)

As assistant buyer for the worlds second-largest Christmas store, Kelsey Parker feels like a holiday harlot. Shes contractually obligated to promote the yuletide season. All. Year. Long. And its taking a toll on her spirit. But when her clueless, self-absorbed boyfriend goes on their long-anticipated romantic vacation without her! Kelsey is beyond disappointed to find herself tromping through the Bell Harbor snow instead of lounging on a tropical beach. Drew Hampton is considered quite a catch among the Bell Harbor bachelorettes, but when his high school dream girl, Kelsey Parker, shows up at his grandfathers Christmas tree lot complaining about her love life, he decides its long past time to get her under the mistletoe himself. As things heat up between the two, a surprise visitor arrives, making Kelsey an offer she cant quite believe. Now she must decide what matters most, and she just may discover the key to her happiness.
