

A Temporary Affair (Harlequin Romance #2505)

Sex is only a very enjoyable game to me. The words were more than a wishful boast from a modern Lothario--they described the life-style Jake Sanders practiced. Combine this devastating man, a handsome blond Adonis, with the sunshine of romantic Majorca, and the stage is set--for heartache. That is, if you happen to believe in shared love and marriage. And Emma Porter did. Could she convince herself that a short affair with Jake was better than no Jake at all? Harlequin Romance #2505, October, 1982.
