

Favor with Kings: Gods Purpose, Your Passion, and the Process of Doing Great Things

Favor with Kings is a remarkably unique and inspiring look at the ancient Hebrew story of Nehemiah. Author Caleb Anderson takes the story to places it has never been before so that you can go to places you have never gone to before. The world needs you to be you, and to do what only you can do. Don't miss this rare combination of biblical insight and catalytic personal development. On this journey of finding your distinct part in a bigger story, you'll be guided to identify your purpose, or dream, develop your passion, or conviction, create your plan of action, empower people to play their role, persevere through inevitable adversity. If you've ever had a dream; if you've ever felt stuck or restless; if you've ever experienced the discouragement of feeling like you're behind, not good enough, or disqualified; if you've started but lack the courage or conviction to stay the course, then this book is for you. (Includes a readers guide for group discussion or personal study.)
