

Widow Watched (Mallory Mystery)

For experienced criminal defense attorney Mallory Ingalls, defending a sternman on a drug possession charge should be easy. Recently widowed when her lobsterman husband was killed in a tragic boat accident, this case is intended to get her back into the office and back among the living. As she delves into the details of her clients case she inadvertently stumbles into something bigger and far more deadly than anyone bargained for. Evidence to clear her client pits Mallory against unseen, often unpredictable and sinister opposition.
