

Trusting Love

CHLOE WILDER is newly pregnant and running from her abusive boyfriend. She needs a home more than ever before. Chloe takes refuge in Arden, Maine - a sleepy, coastal town where she finally thinks she can be safe. JAYDEN PETERSON abandoned his career as a city cop after accidentally shooting a child. Jayden quickly agrees to fill his fathers shoes as Ardens police chief. Determined to protect his loved ones and unsure if he can ever pull his gun again, Jayden is relieved to stay where the worst crime that will ever happen is jaywalking - or so he thinks.
