

Leos Chance

The follow-up to Leo, the USA Today bestselling novel by Mia Sheridan. Does everyone deserve a second chance? Even someone who lies and deceives to get it? Do we all have a second chance coming? Even if we play a part in our own destruction? How hard would you fight to have a second chance at love? A second chance at life? Another chance to tell your own story? Every love story has two sides. Evie told hers. This time its Leos chance. THIS IS A POV NOVEL OF LEO (LEO SHOULD BE READ FIRST). New Adult Contemporary Romance: Due to strong language and sexual content, this book is not intended for readers under the age of 18.
