

## Los Angeles County Lifeguards (CA) (Images of America)

Thousands of men, women, and children owe their lives to the Los Angeles County Lifeguards. Made famous by the television show Baywatch, these lifeguards patrol 72 miles of coastline extending from Zuma Beach to the Los Angeles Harbor. Working on some of the world's most scenic and active beaches, Los Angeles County lifeguards protect the safety and lives of more than 50 million visitors each year. For nearly a century they have braved hazardous weather and surf conditions to rescue drowning swimmers, sinking vessels, and downed aircraft in the ocean. As the Lifeguard Operations Unit of the Los Angeles County Fire Department, they make more than 10,000 ocean rescues a year.
