

Low Cost Empire Volume 7: Now Lets Publish

This book is perfect for those people who wish to self publish their own book(s) to multiple self publishing companies. Unlike other books that are of this subject matter, I go significantly further in the following ways: 1) I teach you how to professional format your book from beginning to end, 2) I give you a method that will work for the majority of self publishing companies, 3) I show how to set yourself up to be able to upload your book to five separate self publishing services in one sitting, 4) I lead you through getting your book on five separate services and show you the major differences and nuances as well, 5) I show you how to offer the book properly on your website and finally 6) I supply you with an amazing amount of material whereby you can do this for yourself or others at any time. You truly will gain a new vocation from the information contained in Low Cost Empire Volume 7.
