

Backyard Discoveries

How do you make a rain painting? Is it possible to blow frozen bubbles? What happens when you recycle? Backyard Discoveries provides parents with hundreds of simple, hands-on nature projects and science experiments that will interest young children and encourage them to explore and investigate the world around them. Stickers, activity pages, and a check-off chart engage even the earliest learners. The variety of selections, along with the dynamic hands-on activities, makes it the perfect resource for all children and their parents!
