

Massachusetts in the Woman Suffrage Movement: A General, Political, Legal and Legislative History From 1774 to 1881 (Classic Reprint)

Excerpt from Massachusetts in the Woman Suffrage Movement: A General, Political, Legal and Legislative History From 1774 to 1881

The writing of this book has been a labor of love; and I publish it in the hope that it may be found useful as a book of reference, and also, that it may help to keep the memory green of some of the earlier workers in the Womans Rights Movement. When writing upon certain phases of this question, I have often been very much hampered for want of authentic data upon which to base my statements. The cyclop?dias say comparatively little, and there is no book of reference that enters into details on this subject. The need of such a book has no doubt been felt by others as well as by myself, and I sincerely hope that, so far as it goes, this work will supply that need. In 1870, when I began to work for woman suffrage, I found in the ranks, many earnest men and women who had labored long in the weedy field of this reform. There were also, dim traditions of others whose names were half forgotten and the memory of whose services was fast becoming obliterated. A reformer is the Rip Van Winkle in the history of his time. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
