

McCains Memories (Intimate Moments)

This cowboy knows more than hes telling. McCAIN WASNT A MURDERER, BUT Defense attorney Lauren Hamilton had a weakness for sexy bad boys, and her latest client certainly fit the bill. Helplessly drawn to accused killer Jon McCain, she believed his claim of innocence and that he really had forgotten his past. Still, she sensed the disoriented cowboy was hiding something. WHO WAS HE? Jon couldnt tell his beautiful lady lawyer everything. Though he knew he wasnt capable of murder, he had regained some memories, and they were proving much more disturbing than the prospect of a life sentence. For these flashes of his past could make a future with Lauren impossible.
