

Media luna (Spanish Edition)

En 1997 una joven alicantina encuentra un extraño pergamino en el trastero de un viejo caseron. Durante trece lunaciones, un ano, Sara tratara de averiguar junto a su hermano, su amigo especial y una inteligente y audaz profesora hacia donde les guian esos codigos y simbolos misteriosos. Recorre junto a ellos los lugares mas emblematicos de la ciudad de Alicante y descubre un enigma con ocho siglos de antigüedad.
