

## Two And A Half Almost Marriages: A Romantic Comedy (Last Love Series Book 2)

A Romantic Comedy This love story is not about who is THE ONE. He knew it. She didnt. This love story is not about how she meets him for the first time. It is about what happens when she cannot see who is THE ONE. This story is not about the sensible sensibilities. It is about the romantic fool who resides in all of us. At the heart of the story is the notion that there is someone made for everyone. It just needs the right eye and heart in the right place.
