

Love me like a waterfall

Love can be oceans, seas, rivers and even waterfalls apart. The need to love is infinite and to be loved like a waterfall is effortless in the game of love. Love propels the person to different heights and finding the courage to love is even more exciting. Could you be loved a waterfall in your deepest desires? Like a lotus love blooms and wilts with time but it can be reborn. And, just like a waterfall it comes back full stream to the source of ones heart never closing out.
