

Memoirs of Rear-Admiral Paul Jones Now First Compiled from His Original Journals and Correspondence: Including an Account of His Services Under Prince ... By Himself, Vol. 1 (Classic Reprint)

Life of Paul Jones appeared in America, compiled by Mr Sherburne, Register of the Navy of the United States. An abridgment of the same work was reprinted in London by Mr Murray. The Life of Paul Jones still, however, remained to be written, for this good reason, that Mr Sherburne possessed no adequate materials for his work. (Typographical errors above are due to OCR software and do not occur in the book.)
