

Merger

Kasey (K.K.) Blakely never meant to fall in love with her business partner, but she did. When she accidentally stumbled into Joshua Crawford, he was just a man...a beautiful, sexy man that rendered her breathless, in a cloud of lust. He said he always got what he wanted and when he set his sights on her she was powerless to resist. It was supposed to just be a date, but it ended up being so much more. Joshua Crawford, never as dazzled, falls under the enchantment of the beautiful brunette and decides he wants to know more about her. In an unsuspecting moment that thrusts them back together he decides to ask her out. It doesn't take long to discover her true identity and he swears that the age-old adage of mixing business and pleasure still holds true. Never as smitten or intrigued, he'll do anything to have her - including withholding his last name. Only after a passionate exchange and the prospect he could lose her does he come clean with who he is and what they mean to one another. Kasey, who's always confident, struggles with her growing affection for a man who has claimed her heart and changed her world, but should be forbidden. She's all in...then all out. Despite the warnings, Kasey and Joshua risk it all. Only to find that love isn't enough to overcome the challenges life throws their way. Can they manage the MERGER of their hearts and still maintain their future partnership?
