

## Minnesota (State Wall Maps)

This edition Wall Map of Minnesota by Universal Map measures 54 x 64 and includes up-to-date cartography at a scale of 1 = 8.2 miles. Printed in color with a markable and washable laminated surface. Hanging rails are mounted top and bottom for ease in hanging. Cities and counties are indexed on the face of the map. Special features include color-coded counties and a mileage chart between major cities. Details include all state highways, all federal highways, secondary roads, cities and towns, major airports, major waterways, state universities, military installations, state and national parks, and historic sites. Railed wall maps can be turned into pull down maps on spring rollers for an additional \$30.
