

Mistletoe Magic

Spending a quiet Christmas housesitting and reading novels about hot cowboys sounds perfect to Caitlin--until a stray kitten brings her face to face with Noah, her crush from college. Watching the handsome vet in action melts Caitlin's heart and brings back long-forgotten emotion. She would be safer back at the house, lost in the pages of a book. But a toe-curling mistletoe kiss tempts her to stay. Maybe she won't be spending this Christmas alone. Veterinarian Noah Sullivan isn't a Scrooge, but the Christmas Eve tradition of hanging mistletoe in the clinic's waiting room annoys him. Kissing doesn't belong at the Copper Mountain Animal Hospital. Noah rethinks his position when Caitlin Butler arrives with a stray kitten she found freezing in the snow. All he wants now is to maneuver the pretty preschool teacher under the mistletoe. If he's not careful, he'll wind up on Santa's naughty list.
