

The In Between (The In Between #1) (In Between Series)

:: Reader Praise for The In Between :: ... a riveting page-turner filled with unexpected twists, action, suspense, raw emotion, and thankfully some romance that is refreshingly engaging and sincere. Im eagerly awaiting the next adventure!

-Michael, MT. Amazon Reviewer. The way that the Visionaries can see the future and try to stop murders is very cool and then it gets all twisty and action-packed. I was riveted to my Kindle from the first page to the last and OMG that was a crazy ending!! I need the next one NOW! --Indie Book Reviewer

...FREAKINFFANTABULOUSLYAMAZING I dont feel that totally says it about it, ...I loved this book, words cant describe my amazement towards it. -Cassie, Goodreads Reviewer The In Between takes you on a thrill ride reminiscent of The Matrix and The Hunger Games. The author draws you in through the two widely disparate lead characters...you find yourself breathless to see what happens next. -- J. Lake, Montana

I loved this book! I read so much YA paranormal/fantasy/ sci-fi it all starts to seem sorta the same after a while. Not with this book! Author Catherine Converse creates a wholly original world and characters that felt refreshingly new.

--Indie Book Reviewer ...Converse captures the readers hearts with characters we can all relate to, while providing vivid descriptions of locations that makes you yearn to be there. You wont want to miss out on this exciting tale that easily warrants you to keep the pages turning. -- K. Gardner, Montana

Synopsis: Two girls with opposing backgrounds join a secret intelligence agency located deep in the earth, where their psychic dreams are used to prevent murder. As the girls form a unique friendship, they begin to dream about the same serial case, triggering a chaos that spirals through the agency tunnels, and proves the lives they need to save are their own.
