

# How Great Is Our God Devotional: One Mans Journey to Warranted Christian Belief

Birth? Of course! He started out his earthly life in the womb. When we think of a baby in the womb, we dont believe he or she knows much about whats going on outside of that little living space. But consider John the Baptist: And it came to pass, that, when Elisabeth heard the salutation of Mary, the babe leaped in her womb; and Elisabeth was filled with the Holy Ghost: And she spake out with a loud voice, and said, Blessed art thou among women, and blessed is the fruit of thy womb. And whence is this to me, that the mother of my Lord should come to me? For, lo, as soon as the voice of thy salutation sounded in mine ears, the babe leaped in my womb for joy. And blessed is she that believed: for there shall be a performance of those things which were told her from the Lord. (Luke 1:41-45) John the Baptist was filled with the Holy Spirit from birth (Luke 1:15)he knew that Mary was carrying our Savior even as he was in the womb. Once John the Baptist leaped, Elisabeth was filled with the Holy Spirit as well. Can you imagine the adrenaline rush? Your life being so directly impacted by two unborn babies that you were instantly filled with the Holy Spirit? Powerful stuff, dont you think? How many times have you heard the statement that Jesus was human, yet he was God? I always found it hard to wrap my head around this concept, but I have heard it since I was a toddlerI cant even remember when I heard it for the first time. The purpose of this book is to expound upon the humanity of Jesus. I believe we all know he was human, but we dont really understand just how human he was. The attributes of Jesus discussed in the following chapters are gathered primarily from the gospels of Matthew, Mark, Luke and JohnIm sure youve heard these stories of Christs life. My hope is that you will come away from each chapter with a new understanding of how much his life on

earth was like your own. While searching the scriptures, I have found Jesus in many of the same places that I have been in my own life. Having a real understanding of the human side of my Savior helps me when I find myself at the foot of the cross on a daily basis. When I look into the mirror, I see Jesus looking back. It is my sincere hope that you will find him there too. Read the everyday situations in my life that mirrored the experiences of Jesus. He was more like us than I ever imagined. It may surprise you as well. I studied Jesus life in the Gospels and came away with a much different perspective on His life and mine.
