

Picture Southern Oregon

Based on the provocative book series published by the Getty Cultural Institute (Picture Los Angeles, Picture Paris, Picture Capetown) and supported by the Annie M. Edlen Foundation, Story Line Press is proud to present this beautiful collection of photographs and captions by eight middle school and high school students living in Southern Oregon. These are unforgettable images from the children who grow up to become all of us. Steven Good is a freelance photographer living outside Talent, Oregon in the Rogue Valley.
