

Commanders and Headquarters Orders in the Concentration Camp Auschwitz 1940--1945 (SAP Excellence) (German Edition)

Der Band dokumentiert die internen Anweisungen der SS-Lagerleitung an die Wachmannschaften von Auschwitz. Die seinerzeit als hektographierte Mitteilungen ausgegebenen Befehle blieben nur in wenigen Exemplaren erhalten - verstreut in deutschen, polnischen und russischen Archiven - und wurden von der Forschung bisher kaum beachtet. In ihrem Detailreichtum ein eindrucksvolles Zeugnis vom Alltag der SS am Schauplatz der Massenvernichtung, sind sie darüber hinaus eine bedeutende Quelle für die Geschichtsschreibung des Holocaust.
