

## Riley in the Morning

She had left him seven months earlier without an explanation. Now, just as Brin Cassidy is preparing for the biggest dinner party of her career, who should show up unannounced on her doorstep but her handsome, estranged husband, Jon Riley. As the former producer of the popular television program Riley in the Morning, Brin had not only worked with the temperamental blue-eyed star, she had also married him. Their tempestuous, passionate affair was the stuff romances were made of....so why did Brin leave him? She knows in her heart that she owes Riley an explanation, but she isn't ready to face him- or herself. But Riley is a man who knows what he wants, and usually gets it. And tonight, he isn't leaving without a few answers. From dusk until dawn the two will relive their explosive relationship in a night filled with passion and revelation. Only when the final secret is revealed will it be clear whether a future exists for Riley in the morning...
