

Secondhand Sweetheart (Large Print)

When Lisa Montgomery resigns her job as a flight attendant so she can mend her relationship with her long-time boyfriend, Duncan Holland, the last thing she expects is to have to face the prospect of a future with another man. Photographed in a compromising situation with one of the airline directors, and then compromised a second time by the same photographer, Lisas future looks bleak, until she decides to take control and see what she can do to repair her tarnished reputation. Secondhand Sweetheart received an Honorable Mention in Harlequins 2012 Aviator Challenge.
