

## OWNED: BLAZING DEVILS MC

Three brothers. All equally powerful, crazy, and dangerous. The Ford brothers always ran The Blazing Devils with an iron fist -enforcing their power by any means necessary, even force. They have a certain set of rules they follow. Rules that involve intimidation, brotherhood, crime, violence, power, and absolutely no romance. But love is the most dangerous game of all and on one insane weekend, every secret these brothers have been keeping in the dark start to unravel in front of their eyes - and all because they have finally met their matches. Suddenly, the brothers are dealing with emotions they never knew that had and if they aren't careful everything they have been working to build for years might blow up in their faces, costing them way more than they ever thought possible. After all, a dangerous life of comfort hates outsiders. But you know what they say... love waits for no one. Not even the most dangerous men in the world. \*OWNED: BLAZING DEVILS MC IS A DANGEROUS AND SEXY MC ROMANCE WITH STEAMY SEXUAL CONTENT AND CRAZY SITUATIONS THAT MAY BE DISTURBING FOR SOME READERS!
