

## Laos Folk-Lore of Farther India (Classic Reprint)

Excerpt from Laos Folk-Lore of Farther India These Folk-Tales from the Laos country, a part of the kingdom of Siam, in addition to their intrinsic merit have the charm of complete novelty. Until the translator of this volume collected these stories, they were even unwritten, with a single exception which was found in a Laos manuscript. They are orally preserved in the provinces which constitute the Laos country, just as they have been handed down from generations of ancestors, with slight variations in words or incidents. The elders among the people tell the stories at their merrymakings around the camp-fires and within their primitive houses, to amuse and instruct the youth and children. Living among the Laos in the friendly and intimate relation of a missionary, the translator has had the advantage of long residence and unrivalled opportunity for understanding the history, customs, religious ideas and aspirations of this interesting people. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
