

Having My Baby

Growing up, Jill Garrison never daydreamed about having the perfect wedding. Instead, she dreamt about having a baby. Boy or girl, it didnt matter. Unfortunately, her fiance cant have children. Determined to realize her lifelong dream of having a baby, Jill spends years searching for a company (CryoCorp) that provides high quality donor sperm. Everything is right in Jills world until her wedding day when her fiance leaves her at the altar to be humiliated before friends and family. She doesnt waste any time moving from New York City to California to start over. And she keeps her appointment with CryoCorp. She may never have the wedding or the husband, but nothing is going to stop her from having a baby. Shes tired of everyone telling her what to do. The baby shes carrying is hers and hers alone. Nobody can take that away from her. Or can they?
